You can also check for [AMCAT papers](#).

Do we have negative marking in AMCAT?

There is no negative marking as such in AMCAT. But the candidate is expected to attempt and answer all the questions in each module.

Is AMCAT an adaptive test?

Yes AMCAT is an adaptive test. In adaptive test, the question gets tougher or easier based on the correctness of the previous question. If you answer a question correctly, the next question level will be high. If you answer wrongly, the next question becomes easy.

The final score depends on the level of questions attempted correctly.

What is the AMCAT ID?

When a candidate takes up AMCAT exam, one AMCAT ID is generated. It is a 14 digit unique number. For future reference this ID can be used.

What to do if I have lost my AMCAT ID?

In such case, you can send an AMCAT ID retrieval request. There you have to provide your name, email address and registered mobile number. Then your AMCAT ID will be emailed to you on the specified email address.

You can call AMCAT help desk also for any support-**011-49657800**.

Can I write the AMCAT from home?

No. AMCAT can be taken only in colleges where Aspiring Minds is conducting the AMCAT. AMCAT can be taken in Aspiring Minds designated Centers as well.

If I give the AMCAT again, which score will be valid?

It depends on the recruiting company. Some go for the latest score, while some consider picking the best score.

What is a good score in AMCAT?

This question will be answered in AMCAT FAQs. There is no good score in AMCAT as such. Different companies have different ways of verifying scores. Some go for a good score in some section of the test, while other one may go for another score in a different section. Therefore, it's always advisable to score the best to get the best opportunities.

Can I hide my scores from companies?

Yes, you are enabled to hide your profile from companies by clicking on "Hide my profile" in the profile section.

But it is recommended to not hide your scores. Because the corporate team and clients will not be able to shortlist your profile for any job.

Hence you should only hide your profile if you have already got a job.

How does Aspiring Minds shortlist people for interviews?

The recruiters or companies which accept AMCAT score, call for interviews. The selection is also based on other parameters like scores in specific section of the test, location etc. from the candidate profile.

My admit card has some wrong details. What should I do?

You can contact the AMCAT support for rectification. In case of time shortage, you can go to the event and request the AMCAT representative to correct it.

If you have already appeared for the exam, then also you can edit your profile in myAMCAT.

I was selected in an interview organized by Aspiring Minds. How do I get my offer letter?

Offer letters are sent to the candidate by either Aspiring Minds or the company that has recruited. If in case, you do not get your offer letter after 5 days of the interview, then contact AMCAT support.

If I have to take AMCAT again, do I have to pay again ?

Yes you will have to pay again when you extend your subscription or Schedule AMCAT again.
